

Attention FDA

0163 '00 MAY -4 AIO:31

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

ABSOLUTELY NOT, I WAS CHEATED BY AN AUDIOLOGISTS IN DOVER N.H. AS WERE OTHERS. THE DR. WENT TO JAIL FOR FALSE PROMISES AND PRACTICES.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

ITS NOT A PROBLEM GOING, ITS THE PROBLEM OF COST FOR HEARING AIDS, I HAVE NO FAITH IN EXPENSIVE TESTS BY AUDIOLOGISTS.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

ABSOLUTELY NOT, THIS IS SUPPOSED TO BE A FREE COUNTRY.

4. Should I be allowed to purchase hearing aids by mail as I choose?

ABSOLUTELY, THERE ARE TOO MANY LAWS NOW TO STEAL FROM THE POOR.
